This Annexation Agreement ("Agreement") is made and entered into as of this ____ day of August, 2009, ("Effective Date") by and between the City of Frisco, Texas, ("City") and Bert Fields, Jr. ("Owner") on the terms and conditions hereinafter set forth.

WHEREAS, Owner owns approximately 2,256.78 acres, more or less, situated in the Charles L. Smith Survey, Abstract No. 1185, the Samuel Whittenburg Survey, Abstract No. 1510, the M.E.P. & P.R.R. Bates Survey, Abstract No. 90 and the Collin County School Land Survey No. 10, Abstract No. 148, Denton and Collin County, Texas, which is more particularly described and depicted (hatch marked area) in *Exhibits "A-1" through "A-9" and "B"*, attached hereto and incorporated herein for all purposes as if fully set forth verbatim herein ("Property"); and

WHEREAS, City and the Owner desire that the property be developed as set forth herein;
and

WHEREAS, pursuant to Section 43.035 of the Texas Local Government Code, City desires to annex certain lands including the Property; and

WHEREAS, pursuant to Section 212.172 of the Texas Local Government Code, City is authorized to make a written contract with an owner of land that is located in the extraterritorial jurisdiction of the municipality for purposes set forth in that section; and

WHEREAS, the parties desire to agree on the matters set forth in this Agreement pursuant to Section 212.172 of the Texas Local Government Code and for the purposes set forth in that section.

NOW, THEREFORE, in consideration of the mutual benefits and premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, City and Owner agree as follows:

1. Land Subject to Agreement. The land that is subject to this Agreement is the Property. Owner represents that it is the sole owner of the Property.

2. Use and Development. The use and development of the Property before and after annexation shall conform to all City ordinances, rules, regulations and requirements, as they exist, may be amended or in the future arising, applicable to the development and use of the Property; provided, however, any structures existing on the Property on the Effective Date shall be considered legal, conforming structures and uses and any structures to be constructed on the Property for agricultural, uninhabitable uses may be constructed in accordance with the rules and regulations in effect for such structures constructed in the extraterritorial jurisdiction immediately prior to the Effective Date. Notwithstanding anything to the contrary herein, all inhabitable structures shall be constructed in accordance with the applicable rules and regulations of City, whether now existing or in the future arising, as though the structure was located within the corporate limits of City. Prior to annexation, the Property shall be developed as if it has been designated with agricultural zoning in accordance with City's Comprehensive Zoning Ordinance, as it exists or may be amended. The development of non-agricultural uses on the Property will require annexation and zoning of the Property in accordance with City's ordinances, rules and regulations, as they exist or may be amended. This Paragraph shall survive the termination of this Agreement.

3. Annexation and Zoning. City will not annex the Property, unless requested to do so by Owner, during the term of this Agreement provided that Owner complies with the terms and conditions of this Agreement. The parties agree that City, in its sole discretion, shall determine whether it will approve annexation of the Property. Simultaneously with the termination of this Agreement City and Owner agree that City may, in its sole discretion, initiate annexation proceedings for the Property.

4. Water and Sewer Service. Following annexation of the Property by City, City agrees to provide the water and sewer service for the Property in accordance with the Local Government Code and the annexation service plan.

5. Other Development Fees. City ordinances covering park dedication and/or payment in lieu of dedication of land, utility rates, permit fees, impact fees and the like are not affected by this Agreement and shall be applied to the Property in the same manner as any other Property located within City's corporate boundaries; provided, however, nothing herein is intended to, nor shall it, amend, modify or limit any existing or future agreement between City and Owner with regard to the Property, including without limitation, any agreement establishing or limiting impact fees. Further this Agreement does not waive or limit any of the obligations of Owners to City under any other ordinance, whether now existing or in the future arising.

6. Term. This Agreement is an agreement authorized by Section 212.172 of the Texas Local Government Code. The term of this Agreement shall be fifteen (15) years from the Effective Date unless terminated earlier in accordance with the terms of this Agreement or upon the earlier of

Owner's death or Owner's conveyance of the Property. Should any portion of the Property be conveyed, this Agreement will terminate as to the portion of the Property conveyed. The term of this Agreement shall not be affected by the fact that some or all of the Property is annexed into the corporate limits of City.

7. Default. If any party breaches any of the terms of this Agreement, then that party shall be in default ("Defaulting Party") of this Agreement ("Event of Default"). If an Event of Default occurs, the non-defaulting party shall give the Defaulting Party written notice of such Event of Default, and if the Defaulting Party has not cured such Event of Default within thirty (30) days of said written notice, this Agreement is breached. Each party is entitled to all remedies available to it at law or in equity.

8. Notice. Any notice required or permitted to be delivered hereunder shall be deemed to be delivered, whether or not actually received, when deposited in the United States Mail, postage pre-paid, certified mail, return receipt requested, addressed to either party, as the case may be, at the addresses contained below:
